

Music Therapy Activity Pack

For people living with dementia

'AMONG MY SOUVENIRS'

Among My Souvenirs Music Therapy Activity Pack is a carefully recorded CD of 51 well-known songs accompanied by a step-by-step Music Therapy Activity Instruction Manual. This valuable resource aims to decrease dementia related symptoms and promote maximum engagement for people living moderate to severe levels of dementia.

This program is user friendly and suitable for use by everyone, including those without a musical background.

"Among My Souvenirs Music Therapy Activity Pack" has given me the tools and confidence I need to run an effective Therapeutic Music Therapy Group for people with more progressed dementia symptoms."

Aileen B: Diversional Therapist;
Residential Aged Care Facility

Loretta is committed to providing valuable tools carers need to provide engaging and effective Music Therapy Sessions for people living with dementia. Loretta has over 20 years of clinical and research experience as a Registered Music Therapist specialising in the field of dementia. With a background of Div 1 nursing, this resource has an added nursing approach to improving the Quality of Life for people with dementia.
